## **Re: Freedom of Information Request**

Request/[Response](#):

In the CCGs most recent governing body minutes they state that they will be providing IVF in line with NICE guidance.

Could you clarify

1. Whether this means that the CCG will be providing 3 cycles of IVF for women under 40 and 1 cycle of IVF for women between 40-42.

[NHS South Sefton CCG will be providing 3 cycles of IVF for women under 40 and 1 cycle of IVF for women between 40- 42.](#)

2. Whether this means the CCG will be adopting NICE's definition of a cycle of IVF.
