## **Re: Freedom of Information Request**

Request/[Response](#):

1. What are the charges for abortion services negotiated between the CCG or (all the) CCGs for which you are FOI officer and any and all independent sector abortion providers, such as (but not limited to) the British Pregnancy Advisory Service (BPAS), Marie Stopes International (MSI), BMI Healthcare, Spire Healthcare, and Fraterdrive Ltd.? Please break these agreed charges down according to independent sector provider and according to abortion procedure.

[NHS South Sefton CCG commissions abortion services only from the British Pregnancy Advisory Service. Please see the attached Appendix – BPAS Charges, for the response to your request.](#)
