Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding Abortion Consent Forms within NHS South Sefton CCG.

Request/[Response](#):

I am contacting you under the Freedom of Information Act 2000 on behalf of myself. I would like to request a copy, in Microsoft Word if possible or (if Word is not possible) in PDF, of the abortion consent forms that are used in the services covered by the CCG or (all the) CCGs for which you are FOI officer, whether undertaken in an NHS facility or in the private/independent sector.

I would also like to request any document you may have that approximates to an account of the pathway that a woman goes through from the point of requesting to undergoing an abortion.

[We are currently reviewing the pathways across Cheshire and Mersey providers as part of an Any Qualified Provider procurement which is underway therefore we do not have a copy to share at present. Part of the procurement and joint work is to align the pathway across CCGs and introduce a booking bureau to simplify choice and access for patients.](#)

[As NHS South Sefton CCG does not hold this information, you may want to redirect your request to the providers.](#)
