Re: Freedom of Information Request

Request/[Response](#):

The information I require relates to continuing healthcare funding for both male and female, juvenile and adult prison/youth offender inmates.

How many incarcerated individuals are in receipt of continuing healthcare funding by the CCGs that your FOI office serves and please identify which CCGs fund the care separately. Also please identify if the care is delivered to persons over or under 18 years of age.

[NHS South Sefton CCG is not responsible for providing CHC to people who are incarcerated. CHC does not apply to under 18's it is known as Continuing Care.](#)

[Please re-direct your request to NHS England on the contact details below as they have statutory responsibility for CHC for prisoners.](#)
