Re: Freedom of Information Request

Request/[Response](#):

A list of all organisations that have been awarded contracts to provide healthcare services by your clinical commissioning group since 2010 and for each contract awarded: the value of the contract; the healthcare services contracted to be provided to the clinical commissioning group; the duration of the contract.

Please find attached in response to your enquiry. NHS South Sefton CCG do not hold information prior to 2013/14 as the CCG was only established as a statutory organisation on 1st April 2013. Therefore, for information prior to this date, we would suggest you contact The Reviews and Information Team via the following address ReviewsandInformationteam@dh.gsi.gov.uk
