Re: Freedom of Information Request

Request/[Response](#):

Could you please tell me who the CCG has commissioned to provide out of hours GP services, and if they commissioned OOH jointly with any other local CCGs (to avoid duplication of results)?

[NHS South Sefton CCG commission Go To Doc to provide out of hours GP services. They are jointly commissioned with NHS Southport and Formby CCG.](#)

Could you also tell me:

Have you set minimum staffing targets for your OOH provider?

[There are no minimum staffing targets for OOH, staffing levels vary depending on seasonal and daily demand](#)

How many times were these targets breached in 2013-14?

[N/A](#)

And how many times were these targets breach so far this year, from April 2014?

[N/A](#)

For these two years how many times were fines or breach notices issued to providers as a result of missing targets?

[N/A](#)
