Re: Freedom of Information Request

Request/[Response](#):

Under the Freedom of Information Act, I would like to know the average time taken for the Clinical Commission Group to pay invoices submitted to it by its suppliers. I would like this data broken down in to 12-month periods ending December 31.

I would like data going back five years (with data commencing from 2010). If this is not possible within the restrictions of the Freedom of Information Act, three years of data will suffice (from 2012). If this is not possible, please supply two years of data (2013 and 2014).

If the year end (December 31) makes responding to this request difficult, please base the response on the Clinical Commission Group's annual report/financial accounts.

NHS South Sefton CCG became a statutory body on 1 April 2013 and therefore is unable to provide the information you requested for 2012. Please redirect your request to the Department of Health Reviews and Information Team on the following email address: reviews&informationteam@dh.gsi.gov.uk

Please see the tables below for the response to your request.
