## **Re: Freedom of Information Request**

Please find below the response to your recent Freedom of Information request regarding expenditure on magazines for waiting rooms in GP surgeries and hospitals within NHS South Sefton CCG.

### Request/[Response](#):

For the financial years 2013/14 and 2014/15, how much did you spend on buying magazines or magazine subscriptions intended for waiting rooms in GP surgeries and hospitals?

Please break this figure down by month and year (e.g. April 2014), name of publication, number of copies purchased and amount spent.

Please take the financial year to mean April to March the following year.

Please take 2014/15 to mean up until the end of January.

If you have subscriptions, please make clear how long the subscriptions are valid for and how many copies of any titles are included.

If this email address is responsible for multiple CCGs, please also break the figure down by the respective CCGs.

It should therefore be possible to see how much money was spent on each magazine or subscription, including the number of copies bought, for each month of 2013/14 and 2014/15 to January inclusive.

If you require clarification of any part of this request, please let me know. I would prefer the data to be supplied in soft copy .xls format. I would be grateful for an acknowledgment of this request.

[NHS South Sefton CCG have not incurred any expenditure on buying magazines or magazine subscriptions intended for waiting rooms in GP surgeries and hospitals in the financial years 2013/14 and 2014/15.](#)
