Re: Freedom of Information Request

Request/[Response](#):

1. How many GPs in your area have taken '24-hour retirement' under the NHS Pension Scheme and returned part- or full- time to the same role in each of the last three financial years (please give *separate* figures for each year)?
2. If you set an alternative minimum 'retirement' period (other than 24 hours) before returning, please provide those figures – and stipulate what your minimum period is.
3. What was the youngest age that somebody 'retired and returned' over those three years?
