Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding IT hardware and maintenance within NHS South Sefton CCG.

Request/Response:

I would like to request the following breakdown of your hardware maintenance and costs relevant to IT:

A list of the models of the physical servers, storage devices, tape libraries, network switches and routers under support contracts; as well as the cost and duration of said contracts, with start and end dates and service level associated with the equipment. Could you also supply the names of the suppliers of aforementioned support services?

I would also request the name of the person/s in your organisation responsible for the maintenance support contracts.

NHS South Sefton CCG does not hold this information. You may wish to re-direct your request to Informatics Merseyside who are hosted by Mersey Care NHS Trust and can be contacted via the following link: freedomofinformation@merseycare.nhs.uk
