Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding funding the use of Xiapx in the treatment of Dupytrens services within NHS South Sefton CCG.

Request/[Response](#):

Can I enquire as to the CCG policy on funding the use of Xiapx in the treatment of Dupytrens please?

Please refer to the Pan Mersey Area Prescribing Committee prescribing policy statement, which has been approved by NHS South Sefton CCG medicines operational groups.
