Please find below the response to your recent Freedom of Information request regarding The number of individual funding request applications made during the 2012/13, 2013/14 and 2014/15 financial years within NHS South Sefton CCG.

Request/[Response](#):

1. The number of individual funding request applications made during the 2012/13, 2013/14 and 2014/15 financial years.

Please break this down by:

- a) the procedure requested (e.g. tattoo removal)
- b) the outcome of the decision
- c) financial year

If you believe that publishing data by year would compromise personal data, please combine the three years of data into one figure.
