## **Re: Freedom of Information Request**

Please find below the response to your recent Freedom of Information request regarding funding of enhanced services within NHS South Sefton CCG.

Request/[Response](#):

Please provide me with the following information:

- A full list of all enhanced services, commissioned in 2016-17 and in 2017-18 by your Clinical Commissioning Group, including services funded outside of GMS/PMS essential services funding.

[Please see Appendix 1](#)

To help with providing this information, I have attached an appendix of enhanced services that we believe are currently funded by many clinical commissioning groups. Please note that this should not limit your response as this is only a guide and is not exhaustive.

Additionally, I would also be grateful if you could answer the following question:

- How much funding is currently allocated in 2017-18 to each enhanced service via GMS and PMS general practice in your CCG area, and how much was spent on each enhanced service in 2016-17?

[NHS South Sefton CCG does not hold this information. You will need to contact NHS England](#)
