Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding Translation and Interpreter services within NHS South Sefton CCG.

Request/[Response](#):

Can I ask who the CCG uses to supply Translation and Interpreter services?

NHS South Sefton CCG does not formally commission translation and interpreter services. If required we would use those currently on the NHS England framework for primary care. You may wish to redirect your query to NHS England

england.contactus@nhs.net
