## **Re: Freedom of Information Request**

Please find below the response to your recent Freedom of Information request regarding community health service contracts within NHS South Sefton CCG.

Request/[Response](#):

1. Please provide a list of all the organisations that have held contracts (or other formal agreement) for the delivery of community health services since the creation of the CCG (plus any predecessor CCGs), together with the start and end dates of each contract
2. Please state what services were covered by each contract

Please note that GMS and PMS GP contracts are excluded from this request (I believe the CCGs do not commission these in any case).

[Please see Appendix 1](#)
