Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding Governing Body Members within NHS South Sefton CCG.

Request/[Response](#):

Today I am writing you yet again under the Freedom of Information Act 2000 to ask that you supply me with a list of names and business email addresses of the non-clinical members who sit on the Governing Body of the NHS South Sefton CCG. The purpose of collecting this information is for a doctoral research that I am conducting in which I am considering the decision-making practices in CCGs across England.

I understand that under the Freedom of Information Act 2000 I am entitled to a response within 20 working days of your receipt of this request. I would prefer to receive the information electronically. If you require any clarification, I expect you to contact me under your section 16 duty to provide advice and assistance if you find any aspect of this FOI request problematic.
