Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding pharmaceutical products/medicines/drugs that South Sefton CCG currently holds rebate agreements for.

Request/Response:

I would like to request the list of pharmaceutical products/medicines/drugs that South Sefton CCG currently holds rebate agreements for. If possible, can you also provide the corresponding rebate start dates please? I understand that the financial details of the rebates would be considered commercially confidential but have been advised that the existence of a rebate with a product does not fall within a section 42 exemption. So, I am only requesting the product names the rebate start dates.
