## **Re: Freedom of Information Request**

Please find below the response to your recent Freedom of Information request regarding HSE report A19CICFD54.

### Request/[Response](#):

I was involved which occurred at Aintree hospital in July. Various members of theatre, anaesthetic and surgical staff were on duty in theatre, when toxic fumes filtered through the ventilation, which resulted in 17 members of theatre staff having to attend AED. I believe I have the report number which I was given by the HSE. It is A19CICFD54. We have not been presented so far with the report and I would like to request a copy.

NHS South Sefton CCG does not have a copy of the above report; you may wish to contact –

Aintree University Hospitals NHS Foundation Trust
