Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding hypnotherapy services within NHS South Sefton CCG.

Request/[Response](#):

I would very grateful if you could please inform (by email) if South Sefton CCG currently commissions hypnotherapy, either routinely or in the form of individual funding requests. I would like if possible to know the most recent yearly figure for total expenditure on hypnotherapy by the above CCG.

[NHS South Sefton CCG does not routinely commission hypnotherapy services. Any request for these services would be via an individual funding request. NHS South Sefton CCG has not received any requests for this service in previous years.](#)
