Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding the commissioning of care for blood and marrow transplantation services within NHS South Sefton CCG.

Request/[Response](#):

Please confirm whether or not the CCG has arrangements in place for the commissioning of care for blood and marrow transplantation (BMT) patients who are beyond 100 days following a stem cell or bone marrow transplant.

[NHS South Sefton CCG does not have arrangements in place for the commissioning of care for blood and marrow transplantation for patients. NHS England commissions blood and marrow transplantation services, however the CCG supports them through community services.](#)

If arrangements are in place, please provide details in electronic format.
