

FOI Request - A list of all services or pathways decommissioned or altered – and the details of their alteration – for the 2017-2019 contracting period as required by the NHS England deadline of December 23. Please categorise each with the acute/community setting where they are, or will take place. (ie Queen’s Medical Centre, Nottingham). And please provide the former, and new value of the service. If the final details haven’t been ratified please provide latest proposal and the status of that plan.

items are ongoing and have not yet been finalised.
