

Trade Union (Facility Time Publication Requirements) Regulations 2017 Report for 2017-2018

NHS South Sefton CCG is wholly supportive of partnership working and as such is an active participant in the Staff Partnership Forum facilitated by NHS Midlands and Lancashire Commissioning Support Unit. The CCG utilises this forum as a vehicle and mechanism to support proactive staff engagement, consultation and, where appropriate, negotiation. The CCG does not employ anyone who undertakes relevant union official duties as outlined in the Trade Union (Facility Time Publication Requirements) Regulations 2017 and therefore no time is released from this employer in relation to official duties. The CCGs liaise and works with CSU TU representatives and area/regional representatives from those recognised unions whose time will be recorded with their employing authority.

In compliance with the above regulations the following information is provided:
