## Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding weight management services within NHS South Sefton CCG.

Request/[Response](#):

1. What was your CCG's total attributable budget for weight management services/interventions for 2016/2017? Please break this down by:

Tier 1	NHS South Sefton CCG does not hold this information you may wish to refer your query to: Sefton Council <a href="mailto:information@sefton.gov.uk">information@sefton.gov.uk</a>
Tier 2	NHS South Sefton CCG does not hold this information you may wish to refer your query to: Sefton Council <a href="mailto:information@sefton.gov.uk">information@sefton.gov.uk</a>
Tier 3	Aspects of weight management are included within a number of specialties e.g. Gastroenterology via Multi-Disciplinary Services and as such are charged to the CCG by the completed episode rather than individual elements of the episode of care (including weight management) therefore it is not possible to isolate those costs.
Tier 4	This procedure is funded by NHS England – Specialised Commissioning. For follow ups £11,158

2. What was your CCG's total attributable budget for weight management services/interventions for 2017/2018? Please break this down by:

Tier 1	NHS South Sefton CCG does not hold this information you may wish to refer your query to: Sefton Council information@sefton.gov.uk
Tier 2	NHS South Sefton CCG does not hold this information you may wish to refer your query to: Sefton Council information@sefton.gov.uk
Tier 3	Aspects of weight management are included within a number of specialties e.g. Gastroenterology via Multi-Disciplinary Services and as such are charged to the CCG by the completed episode rather than individual elements of the episode of care (including weight management) therefore it is not possible to isolate those costs.
Tier 4	This procedure is funded by NHS England – Specialised Commissioning. For follow ups £11,170
