Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding Extended Access to routine GP appointments within NHS South Sefton CCG.

Request/[Response](#):

1. A) Does the CCG provide extended GP access by offering routine GP appointments 8am-8pm, seven days a week? (Yes/No)
B) Please state what evening and weekend routine GP access is provided in the CCG area (if any). Please only include information on routine GP appointments made available out of normal hours, not any emergency or urgent out-of-hours services.

[NHS South Sefton does not currently offer extended access 7 day services.](#)

2. How many extended access appointments are available in the CCG area on A) Saturday B) Sunday and C) weekday evenings? (please state a separate figure for A, B and C)
3. In the financial year 2017/18, what percentage of these extended access appointments were filled on A) Saturdays B) Sundays and C) weekday evenings? (please state a separate figure for A, B and C)
4. A) How many locations (ie. GP practices, health centres) within the CCG area host the extended access routine GP appointments?
B) If possible, please provide a list of clinics which host these extended access appointments and, if applicable, state what they offer (eg. "Practice A - evenings, Saturdays & Sundays; Practice B - Sundays only").
5. In the year 2017/18, what did the CCG spend on providing extended access to routine GP appointments?
Please include any funding received by the CCG from central bodies specifically for providing the extended access to routine appointments service, as well as any other funding spent on this by the CCG. Please do not include any money spent on emergency or urgent out-of-hours care.

[Questions 2-5 not applicable.](#)
