Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding Care home commissioning arrangements within NHS South Sefton CCG.

Request/[Response](#):

NHS Kernow and Cornwall Council are carrying out work to align our care homes commissioning arrangements (both residential and nursing). With this in mind, I hope you do not mind me asking for your help to gather some information around how you commission these services in your area?

We would be grateful if you could take a couple of minutes to complete the attached word document and return to me.
