Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding patient transport within NHS South Sefton CCG.

Request/[Response](#):

1. When was your current patient transport contract issued?

[The core county patient transport contract was issued 1st July 2016](#)

2. When does the current contract end?

[Under the NHSE Level 4 command and control arrangements, the contracts are currently under review and a decision is expected within the next three months.](#)

3. Is there an extension clause?

[Under the Level 4 command and control arrangements, the contracts are currently under review and a decision is expected within the next three months.](#)

4. What was your annual spend over the two previous years for patient transport?

[The annual contract value for the previous two years was:](#)

[Merseyside £8,061,436](#)

[However, since March 2020, NHS contracts are a within a block payment arrangement due to the NHSE Level4 command and control status during the COVID-19 pandemic](#)

5. Who is your current patient transport provider(s)?

North West Ambulance Service (NWAS)

6. Is secure transport included in these contracts?

The Contract makes provision for the transport of all patient groups, however this may be supplemented by individual Trusts arrangements.

7. If not, what providers do you use for secure transport?
