Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding Gifts and Hospitality/Declarations of Interest within NHS South Sefton CCG.

Request/[Response](#):

1. A copy of the register for your organisation - which would include potential conflicts of interest and financial gifts. If there is not a complete register held we request the information on this topic that the organisation does hold; and information on why the organisation does not hold a complete register. If you are able to send this as a CSV file that would be appreciated.
2. Please can you tell us whether this register is available online, and if so, the URL, or whether it is only available on request.

For questions 1 & 2 - Please see the below link where you will find both Register of Interests and Gifts and Hospitality Register for NHS South Sefton CCG.
