Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding Live in Care Services within NHS South Sefton CCG.

Request/[Response](#):

1. How many packages of live-in care did you commission for the financial year 2019-2020?
2. How many providers do you currently purchase live-in care packages from?
3. What is the weekly average price for live in care?
4. How many packages of 24 hour care did you commission for the financial year 2019-2020?

[For Q1 – 4, NHS South Sefton CCG does not commission packages of live-in care.](#)

[Regarding Learning Disability \(LD\) packages of care. Sefton Council take the lead for commissioning packages of care which are subject to LD joint funding arrangements for care and support.](#)

[Live-in care tends to be procured on a private basis, but the Local Authority would be the most appropriate organisation to advise if any live-in care is joint funded and if so, how many.](#)
